FlagView HistoryEdgard von Tressvelg is one of the main characters of Fire Emblem: Three Houses. As a princess of the Adrestian Empire and leader of the House of the Black Eagles in the monastery of Garreg Mach, Edelgard trains one day to take the throne of the Adrestian Empire from his father, the emperor. It can come to a lot as cool and calculating, assessing the strength and leadership over making friends - but still appreciates close allies who have potential. Birthday: 6/22 - Garland Moon Starter Class: Noble Starting Weapon: Axe Personal Ability: Imperial Lineage - Multiplied Experience Earned 1.2x Cross: Small Cross Seiros - Sometimes Raises Can When Using Martial Arts Likes: Reading, Single studies, talented people, discussing historical points and strategies, nature, beautiful sceneryDislikes: Outdated values, crests, rats, chains, swimming, loss of controlStart Health StatsStrengegmagic29 13 6 DexteritySpeedLuck6 8 5 DefenseResistanceCharm6 4 10 Below are the starting skills of Edelgard, as well as preferred skills, highlighted by blue. Beginner talents, if any, are skills that can turn into preferred skills and provide a unique ability if trained at Byleth. Update: 2019/11/12 22:26 Hot Topic Learn Best Character Recruit Here! Read this guide to find out how you can access and unlock the story of Edelgard's arc (Fourth Route Story) by following these simple steps! This article contains spoilers. Viewer discretion is recommendedCheck Out All Story List and Guide! The main requirement for Edelgard's lineary is to talk to Edelgard during 2/8-2/22. You won't trigger her story arc if you don't talk to her during that time. Talk to her after spending all the activity pointsExploitation will end immediately after you have spoken to Edelgard. Make sure to spend all the points of activity before talking to her. Must have a C support level with Edelgard By February the decisive version of the dialogue will not pop up if you have a C support level or higher with Edelgard by February. Don't forget to raise the support level with Edelgard by then. Check out Edelgard's romance here! The final version takes place during BattleYou, must have chosen the option of dialogue: I'll go with you when you spoke with Edelgard in February for this final version of the dialogue to happen. Pick (I have to protect Edelgard.) to finally go down the Edelgard Route.Check Out Edelgard Head - Crimson Flower story passing here! (1) Bring Edelgard's support level to the NHS or higher by 2/8 (Crucial) (2) Explore the monastery at least once during Feb.8/22 (3) Talk to Edelgard during the study (Crucial) (4) [I q lt:7 gt:Dialogue Option] I'll go with you -- South (5) (5)Beginning of the Battle: Conflict in the Holy Tomb (6) [Dialog Options during the Battle] (I must defend Edelgard.) -- Dustum as Hubert, Edelgard will leave, playing other storylines, members of the Church will be your enemy when you side with Edelgarde and become inaccessible. Characters That Will Leave YouRheaFlaynSetCyrilCatherine When Characters you for the reasons of history, their items, equipment, and classes are gone forever (Dancer Class are no exception). Don't forget to take action against it. Check out the Dancers Class here! Fire Emblem: Three Homes - Related Articles History Walk guide guide The History of Walkthrough List Game Database Beginners War Tips coming to the Fedlan continent. Here the order is supported by the Church of Seiros, which is headquartered in the prestigious Officer's Academy. You are invited to teach one of three mighty houses, each of which consists of students filled with personality and represented by the royal from one of the three territories. As their professor, you must guide your students into their academic lives and in turn, tactical rpg battles, forged with strategic, new wists to overcome. Which house and which way will you choose? More Explore the official website of this download game set including Fire Emblem: Three Home Games, as well as Fire Emblem: Three Home Extension Pass, which will allow you to access all downloadable content as soon as it is released.Fire Emblem: Three HomeFits region dominates the Fedlan continent: Address, Faerghus, and Leicester. At the Academy of Officers, the politics of the continent are played out in miniature. Three houses are headed by the future rulers of the three territories. In this tactical role-playing title, you take on the role of professor at the Academy of Officers, coaching them in class and leading them to victory on the battlefield. Two-story sees that your wards are aging in turbulent times, as the whole of Fodlan is shrouded in war. The second part of the story diverges into three arcs depending on what house you teach. Your decisions will determine the future of F'dlan.'
